# Innovative treatments for painful hips and knees

NATIONALLY  
CERTIFIED FOR  
HIP & KNEE  
REPLACEMENT  
SURGERY

Is hip or knee pain putting a damper on your active lifestyle? You may have more options than you realize for relieving the chronic pain of degenerative arthritis. Come hear an experienced orthopedic surgeon describe the latest approaches for relieving hip and knee pain.

[HEAR THESE FREE LECTURES ON MONDAY, JULY 28](#)

### Latest treatments for painful hips — 6 to 7 p.m.

Learn about the newest approaches for relieving the pain of an arthritic hip, from anti-inflammation medicines to innovative surgical options, including MAKOplasty® and anterior hip replacement.

### Relieving arthritis knee pain — 7 to 8 p.m.

Hear about both non-surgical and innovative surgical treatments for relieving the pain of degenerative knee arthritis, including MAKOplasty® partial knee resurfacing.

**Speaker** C. Brian Blackwood, MD, with Mapleton Hill Orthopaedics
