

## FREE HEALTH LECTURE

# Living with prostate or testicular cancer

### PROGRAM

#### **What's New in Treatment**

Come hear a board-certified urologist describe the physiology of prostate and testicular cancers and the latest treatment options.

*Sam Melouk, MD, with Alpine Urology*

#### **Maximizing Quality of Life After Treatment**

Learn about steps you can take to deal with the long-term side effects and quality-of-life issues from treatment such as urinary, bowel and sexual problems.

*Jeanette Burney, BCH physical therapist specializing in male urologic cancer*

*Stephan Corsale, certified specialist in acupuncture and Oriental medicine*

*Tara Galeano, certified sex therapist*

### WHEN

Wednesday, June 29  
from 6:30 to 8 p.m.

### WHERE

Foothills Hospital  
4747 Arapahoe Ave, Boulder  
(Leo Hill conference room)

### RSVP required.
