Innovative Treatments for Painful Hips and Knees

When Wednesday, June 20

Where Boulder Jewish Community Center, 6007 Oreg Avenue

Speaker Dr. Michael Repine, who has more than 15 years experience in successfully treating hip and knee problems.

Is the terrible pain of degenerative arthritis, or wear-and-tear arthritis, starting to slow you down? Sacrificing your active lifestyle is not the only option.

6 to 7 p.m. Latest Treatments for Hip Arthritis

Find out about the newest approaches for relieving the pain of an arthritic hip, from non-surgical treatments to the latest surgical options such as anterior hip replacement and innovative Mako technology.

7:15 to 8:15 p.m. Relieving Arthritis Knee Pain

Hear about both non-surgical and innovative surgical treatments for relieving the pain of degenerative knee arthritis, including Mako robotic-arm assisted surgery for partial knee resurfacing and total knee replacement.
