Latest Treatments for Sinus Infection

When Thursday, Feb. 16, from 7 to 8 p.m

Where Boulder Jewish Community Center, 6007 Oreg Ave.
(Near the intersection of Cherryvale and Arapahoe)

More than 29 million Americans suffer from sinus infections, which can cause debilitating nasal congestion or blockage, facial pressure, smell disturbances and relentless headaches.

Drs. Mark Hunter and Angela Paddack — specialists in Ear, Nose and Throat conditions — will describe the latest treatments for acute and chronic sinus infections, including home remedies, medications and surgical innovations.
